

ISLAM & CHRISTIANITY & WESTERN CIVILIZATION

1. Has the Jewish-Christian Bible been changed? The Muslims claim the Bible has been changed, but they cannot prove this unless they can produce the true original, which they cannot do. We have excellent and reliable early manuscripts which agree with our present Bible; and these date from before Mohammad by hundreds of years. Our Bible has never been changed. Muslim scholars have told Muslims this because they do not want them to read the Bible or think it has any authority over them. On such important issues you need to read both the Islamic holy books (Quran, Hadiths, Sira) and the Bible (66 books: 39 in Hebrew Old Testament & 27 in Greek New Testament plus 200-250 verses in Aramaic) in a modern language you understand well, in order to decide for yourself what they teach and what your relationship to them ought to be. The poetry and cadence of the classical Arabic Quran is well known for its beauty, but it is of paramount importance to understand its meaning if we are going to base our eternal lives on it. Many Muslims are surprised when they discover that their Quran, which they thought was so beautiful and holy, is filled with violent curses, apartheid racism and murderous hatred.

2. Did Mohammad believe his revelations were from God? Mohammad believed after his first encounter with the angel in the cave that the angel was a demon (jinn). He suspected from the beginning his revelations were not from God. Khadija's disrobing in front of the angel and the angel's immediate disappearance in order to prove to her husband that the angel was not a demon is ludicrous. The Bible says Satanic spirits can appear as angels of light and must not be trusted (2Corinthians 11.14). The only way a spirit visit can be trusted is if it agrees with the Bible. And in that case, we don't need anything (including the spirit visit) outside the Bible anyway. God has told us His revelations in the Bible were final and finished. John spent 3 years in close company with Jesus. God used John to write 5 of His New Testament books. But John could not tell the difference between God and an angel on 2 occasions (Revelation 19.10 & 22.8-9). We should not imagine we can do what John could not do. We asked an imam once if he had a spirit visitation contradicting the Quran which would be more important? The private visitation, he said. How easy for a demon to deceive that imam. Christianity is different. It is defined by the Bible alone, not by any Church, man, angel, demon, spirit visitation or warm fuzzy feeling. Christians may be defined as those who believe as true all the propositions of the Bible together with all their logical implications. Visits from spirits are unnecessary, untrustworthy and dangerous. Mohammad's initial thoughts on his 1st encounter with the angel were correct.

3. Is Mohammad a prophet of a Holy God? More than 90 times in the Quran we are told that Mohammad is the ideal of humanity. What is this man like that we are supposed to imitate? **1)** Mohammad taught that saying something untrue is not the same as lying (Bukhari 3.49.857). Everywhere else in the world that is the definition of lying! Allah approves of lying (Sahih Muslim 32.6303). Also, taqiyya lying is encouraged in order to advance Islam (Bukhari 5.59.369 & B.9.84.64). **2)** After his 1st wife Khadija died, Mohammad earned his living as a thief by robbing caravans and murdering their leaders. He became very rich in this way (Quran 48.20; Q.33.27; Q.8.69; Ibn Ishaq 327; 416-428; 503; 508; Bukhari 44.668). **3)** Mohammad committed genocidal mass murder against the Jews of his day who comprised more than 50% of the population of the city of Medina in Arabia, simply because they would not accept him as a prophet (Bukhari 5.59.362; Ishaq 690). **4)** He committed adultery with his adopted son's wife, Zeyneb (Q.33.37). **5)** He had sex with a little child (Bukhari 7.62.88; Sahih Muslim 8.3309-3311; Ibn Hishan vol 3.94; Ibn Athir 2.117-118; Mishkat Al Masabih p 262,272). There is no

way a child 6-9 years old can give consent for sex and marriage with an adult. Neither can this be attributed to acceptable cultural differences, even in the case of a feeble-minded parent giving his consent to the sexual molestation of his own daughter, as Abu Bakr did in the case of Ayshe (Bukhari 7.62.18). (Abu Bakr was the 1st Caliph after Mohammad died.) This is nothing less than the vicious, violent rape of child sex molestation. The legal age for marriage for girls in Iran today is 9 (Civil code article 1041), but religious, Sharia compliant Muslim men all over the world are raping much younger girls, even infants. Mohammad set the example. **6)** A racist, Mohammad called black people raise heads (Bukhari 1.11.662). Allah and Mohammad founded Islam on slavery (Bukhari 1.8.440; 3.34.295; 3.36.481; 7.65.344; Sahih Muslim 1.130; 8.3383; Guillaume, Life of Mohammad, pp.516; 466-593). Islam has never abolished its practice of slavery. It still exists widely today in Africa, Arabia and the Gulf States. **7)** Allah and Mohammad encourage the unlimited rape of non-Muslim (kafir) women: sex slaves, milk al-yamin, "whatever your right hand possesses" (Q.4.3; Q.4.24; Q.23.1-6; Q.24.33; Q.33.50). These do not count as wives and sex with them is not considered adultery! **8)** Allah and Mohammad taught the following regarding women: **a)** Men are superior to women and are allowed to beat their wives (Q.4.34). **b)** Hell is populated mostly by women because they are inferior to men in intelligence and religion (Bukhari 1.6.301; 7.62.132). **c)** Women's minds are deficient. In court their testimony is ½ the value of men's (Q.2.282; Bukhari 3.48.826). **d)** Daughters get ½ the inheritance of sons (Q.4.11). **e)** Women in Islam must undergo the truly barbaric practice of female genital mutilation or clitorotomy (Reliance of the Traveller: e.4.3; Sahih Muslim 3.684). This is not a minor surgical procedure as is male circumcision. This savagery is most often performed on near teenaged girls without anesthesia. The most radical form of this procedure renders a woman unable to enjoy sexual intercourse and unable to be clean in her genital area for life. **f)** The ultimate cruelty against women in Islam is honor killing. A Muslim man's honor depends on the social activity of the women in his household. Muslim men can not be questioned in Sharia (Islamic law) courts as to why they beat their wives (Abu Dawud 11.2142). Wives have no legal protection from being savagely beaten by husbands. And no man will be prosecuted in Islam for personally murdering his own daughter, wife, sister, or mother if he feels her conduct brings shame to him. The cause of many honor murders is very trivial. We cannot forget the March 11, 2002 Mecca girl's school fire in which 15 Saudi girls died because the religious police would not let them leave the burning building without proper head coverings. Sharia law, when allowed to be practiced in the West, is especially abominable for Muslim women: By not being able to come under the protection that our Western laws grant to all women, they cannot escape the horrific treatment Islam allocates to them. In the West the man is usually blamed for male sexual misconduct. In Islam, where everything is upside down, the woman is usually blamed for male sexual misconduct. Muslim men are not responsible to keep their effervescent sexual appetites in check. Women must cover their beauty so that Muslim men are not tempted to rape them. Adultery is punishable by death (Bukhari 3.38.508). Since rape must be proved by at least 4 witnesses (Q.24.4; Q.24.13), women reporting rape against themselves in the Muslim world are almost always accused of, and executed for, adultery. 75% of the women in Pakistani prisons are there because they were raped and could not produce 4 witnesses. **g)** Islam's claim that since Mohammad's time women are more elevated and protected is bizarre. There is no woman today anywhere in Islam under Sharia law like Khadija, the 1st wife of Mohammad. She ran her own business and was master of her own

life. On the contrary, Islam has brought the greatest enslavement to women the world has ever known, an enslavement still going on after 1400 years. To the question: is Mohammad a prophet of God, we answer with 3 questions: Is it possible that any man who said and did the things that Mohammad said and did (as reported in Islam's very own holy books) could be a prophet of the holy God of the Bible? What is there in the life of Mohammad for decent men to imitate? Is it not the most criminal blasphemy to suggest that such a man is an ideal, someone we should follow?

4. Is Islam more political or religious? 'Religious' is when you decide for yourself what you will do for God. 'Political' is when another man decides for you. In this sense, Christianity is not political at all, while Islam is totally political. Separation of Church and State does not exist in Islam; while in America we have lost the proper sense of this concept. It was never meant to allow various atheistic and satanic religions to overrule the religion of Christianity, as it has done in our day. America was founded on the Bible. It was always clear to those in the original foundation of American government that ours was a Christian nation and the Bible was the foundation for our laws, customs and culture. Until several decades ago, the Bible and prayer were taught in our public schools; and not only were homosexuality and abortion illegal in America, but divorce and adultery as well. Today, American Christians have dropped the ball and let the atheistic religions of Marxist Socialism and Darwinian Evolutionism flood our land with their degenerate teachings, producing our present day fully criminalized, anti-Biblical culture, filled with pornography, fornication, child sex trafficking, alcoholism, adultery, divorce, homosexuality and the 60 million unborn babies we have murdered since 1973, when abortion became legal (the same year homosexuality stopped being classified as a mental illness by the American Medical Association). Religion and politics are closely related. If you do not have true religious teachings you cannot have good political government. What men believe determines how they behave. The West has become degenerate to the extent that it has stopped following the Bible. What about Islam? It is the opposite: Islam has become better and moderate to the extent that it has stopped following the Quran. The grisly beheadings, slavery, rape, child sex trafficking, and land stealing against non-Muslims that the world is witnessing in Islam today is because Muslims have started a revival in following their Quran. Jihadi terrorism is true, pure Islam. The opposite is the case in Christianity: When Christians and Jews follow their Bible they have no degeneracy in their lands. When Muslims follow their Quran they have the most vile and atrocious degeneracy and terrorism. This distinction is important. If Islam is more political than religious are we to allow it to practice as a religion in our free country? Can we allow freedom to those who destroy freedom? Can we tolerate those who are intolerant? Tolerance in the face of evil is criminal. What are the main teachings of Islam? What are its goals? Islam has made it very easy to answer these questions. In Islam non-Muslims are called kafir. The term is very derogatory, not at all like the term non believer in the Bible. The Bible God commands the believer to imitate God Himself (not a man) by showing love (doing good) even to his enemies (Leviticus 19:18; Exodus 23:4-5; Luke 6:27-28; Romans 12:17-21). This is completely reversed in Islam. Allah instructs Muslims to imitate the man Mohammad and to hate the kafir as his enemy. Allah hates all kafir. The kafir is the most despised and vilest of creatures (Q.8:55; Q.98:6; Q.7:176; Q.7:179; Reliance of the Traveller w.59.2). Allah tells Muslims to be compassionate to Muslims but ruthless to the kafir (Q.48:29). The kafir is inferior in every way to the Muslim. Allah transformed Jews into apes and pigs (Q.5:60; Q.7:166; Q.2:65). The Ayatollah Khomeini said kafir rank between feces and the sweat of a camel that has consumed impure food. The kafir can be cheated, beaten, mocked, lied to, terrorized, tortured, enslaved, raped and murdered. This is the description of what Muslims are commanded to do to all people who do not want to

convert to Islam or submit to it in Dhimmitude by paying the Jizya (a tax, historically 50%, which non-Muslims pay to keep Muslims from murdering and robbing them – like Mafia protection money). In Islam there are only 2 houses: the House of Islam and the House of War. All people in the Islamic worldview are either in Islam or in war with Islam. All Islam is at war with all non-Muslims. All Muslims in the world are commanded by Allah to bring all non-Muslim kafir into submission to Islam, forcibly if not willingly (Q.9:5; Q.9:29; Q.9:73; Q.8:12; Q.47:4; Q.3:151; Reliance of the Traveller o.9.6). Mohammad sincerely believed he was sent by Allah to bring every kafir under the yoke of Islam (Sahih Muslim 1.31). That means war because no one wants to be brought under anyone else's yoke. Even the God of the Bible has trouble getting us under His yoke. This war against the kafir is called Jihad. Based on the amount of text devoted to these topics in Islam's holy books, it is clear that kafir is the most important subject in Islam (it takes up 60% of the Quran, Hadiths, and Sira combined) and Jihad is the most important activity in Islam (67% of the Sira alone). We must conclude: Islam is not really a spiritual religion at all but the most deadly kind of political agenda masquerading as a religion. At its core, Islam is dedicated to the complete destruction of our Western civilization. Jihad as an inner struggle is a non-existent fiction of deceptive Muslims (Taqiyya Islam) in the West who try to convince us that Islam is a religion of peace. Peace in Islam comes only after the complete annihilation of all its non-Muslim victims. Jihad is total, vicious, permanent, physical war against all kafir until they are completely liquidated. Jihad can be performed by sword, lips, pen or money, all to support the forcible conquest of the kafir by the sword. Muslims are to kill in Jihad until they are killed (Q.9:111). In its insane goal to subjugate the whole world, Islam represents the complete usurpation of the Bible God's authority. Jihad is a political, not a spiritual or religious goal. In the Bible, only God has the authority to decide who should live and who should die. God did command His ancient nation Israel to kill certain peoples on very specific occasions for very specific reasons. He never gave an open ended command to murder all unbelievers, as Islam has done. That is the kind of thing only the devil of the Bible does.

Why is there such a difference between moderate Muslims in the free world of the West and the Jihadi terrorists? This is a modern phenomenon, produced by the technological inequality of the 2 civilizations. Where Islam is not yet in the majority, since it cannot militarily defeat the West, it must tread lightly, and deceptively, trying to attract the kafir rather than mistreating him, only teaching its true, violent teachings in the inner rooms of its mosques and madrassas. This is the case in 80% of the mosques in the West, according to the most reliable study. Many of the radical Jihadi terrorists are being grown right here in our Western countries – in the mosques and in the student Muslim associations at our universities. Many Muslims living in the West are very confused on account of this. They think Islam is moderate and consider themselves moderate Muslims; and they believe the jihadi terrorists have somehow misinterpreted Islam. But it is the moderate Muslims who have misinterpreted Islam. Moderate Muslims are either ignorant or deceptive, but in any case, they are without any Islamic theological foundation. Moderate Islam does not exist. It is the Jihadi terrorists who have a perfect understanding of Islam, the true Islam. Al Qaeda, Hamas, Taliban, Hezbollah, Boko Haram, ISIS are the true Islam, all those zealous to take off non-Muslim's heads. They have been at war with us for 1400 years. And it is very important that we wake up to this fact so that we can start protecting ourselves against this very sick and devilish political ideology.

5. Is the Quran a revelation from the God of the Bible? Can the Quran be a revelation from God if it contradicts itself?

Islam's Doctrine of Abrogation (Al-Nasikh Wal-Mansukh in Quran 2:106; Q.16:101; Q.17:86) teaches that later verses Allah revealed to Mohammad in Medina contradict and replace earlier verses revealed to him in Mecca. For example, all the verses teaching toleration of other religions (Q.2:256; Q.109.6; etc) have been replaced (abrogated) by all the kill-the-kafir-wherever-you-find-them verses (Q.9.5; Q.9.29; Q.8.12; Reliance of the Traveller o.9.6; etc). This means Allah is changeable and self contradictory. By definition, change is imperfection. For what can perfection change to? The only true and living Creator and Ruler of the universe can not speak self contradiction. That is logical nonsense. Allah cannot be perfect if he is changeable & self-contradictory. And he cannot be God if he is not perfect. To imply that God is changeable is blasphemy against God because it attributes variableness to Him who is perfect, who therefore cannot change (Numbers 23.19; Deuteronomy 32.4; 2Samuel 22.31; Malachi 3.6). Neither can God's words change (Isaiah 40.8 & John 10.35).

6. Are Islam's Allah and the Bible God the same God? Islam teaches that Mohammad is the Rasul or prophet of Allah. Who is Allah? In Q.3.54 & Q.8.30 he is called the Khayrul Makireen. This means Greatest or Master Deceiver. This is the correct translation of this phrase as given by the main interpreters of the Quran: Al-Qortubi, Al-Tabari, Al-Jalalyn and Ibn Kathir. The modern translations of these Quranic verses, as the best of Schemers or Planners, are deceptive. Muslim scholars do not want us to know that Allah is a Deceiver. If someone is a deceiver, it means you cannot trust him and you cannot trust what he says. Do we dare to put our trust in one who is a deceiver? Can we believe anything a deceiver tells us? In the Bible it is the devil who is called the Master Deceiver (John 8.44). The God of the Bible is completely holy. He is unable to lie or be deceptive in any way, because He cannot act contrary to His perfect, unchanging, holy nature. He hates idleness, lying, stealing, violence, child sex molestation, rape, sexual immorality, homosexuality, divorce, adultery, and murder (Exodus 20). Allah not only allows all of these activities but even encourages them. Islam's Allah is completely incompatible with the God of the Bible. There can be only one God who is the Creator and Ruler of the universe. Who is that God? It cannot be one who contradicts himself, is deceptive, changeable, and commands his followers to murder all their fellow men who do not agree with them. The God of the Bible is the complete opposite of the Allah of the Quran. He commands His followers to love, pray for, bless, and do good to all men, even to their enemies (Leviticus 19.18; Luke 6.27-36). This remarkable difference in the description of God in the Bible and in the Quran immediately speaks to our conscience that these two books are not from the same God. Which God would you prefer: a nasty monstrous devil who wants you to kill all men who don't accept a violent, sexually depraved person as his prophet, or a loving God who wants you to love (do good to) and treat other men as you yourself want to be treated by them (Mathew 7.12)? It is clear. Only the God of the Bible can be the true God. Our conscience tells us this.

7. Is the Bible the only book from God? What does it teach? God says in the Bible that we are to determine a prophet by the fulfillment of his prophecies (Deuteronomy 18.22; Isaiah 42.9; Jeremiah 28.9). There are more than 300 prophecies in the Bible that are, or will be, fulfilled in the history of men. A 2nd way we can tell the Bible is God's only word is by our conscience. The God of the Bible does not ask men to do things their conscience would not approve. When men do wicked things to other men, as in Islam, like lie to or steal from them, rape, murder or do other violence to them, they always feel convicted in their hearts about these wicked acts – until their conscience becomes so seared that it does not operate properly anymore. This process was often described by Nazis who were asked to kill innocent victims. At first, they felt guilty; murdering others made them ill. After several murders, they changed and found in themselves an actual lust to

murder others. Violation of the conscience is also described by ex-Muslims who have stopped doing the evil things they were commanded to do in Islam. The conscience can be violated to the extent that its prescriptions are no longer listened to. It is a very dangerous state of affairs when the whole culture allows the most wicked deeds with divine sanction, as in Islam and Nazism. God never allows a wicked society like this to continue indefinitely. His justice requires it be annihilated. The Allies did not want to go to war against the Nazis in WW2, but they were forced into war because the Nazis set out to conquer the whole world for Nazism. The Germans, many knowing that Hitler was an insane maniac, did not put him down, so the free world was forced to do so. How many lives would be saved if Muslims today would put down the totally insane teachings of their evil religion? It is important that we all wake up. The people of the Bible (or those influenced by them) are the only people in the world who can discern between right and wrong, because the Bible is the only word of God. We must return to the pure teachings of our Bible and put down all wicked political ideologies, expelling them from our earth.

How spiritual and religious the Bible is. How spiritual and political Islam is. In studying Mohammad's life, what sticks out are his unlawful sex and his grisly violence against innocent people. How different the Bible is. Its main subject is Jesus Christ. Its main message is His crucifixion. In Christ God became a man for the sole purpose of rescuing men from the penalty that God's justice requires men to pay on account of their sin. Sin is disobedience (1John 3.4) to God's moral law (summarized in the 10 Commandments of Exodus 20). A good judge requires the penalty for the crime be paid. God is no exception. His justice requires that we pay the penalty decreed for our sin. That means we deserve to be separated from God forever in hell. Another man may pay our traffic law violation for us, but he cannot pay for our moral law violation (our lying, hatred, adulterous thoughts, covetousness, etc.) because he is just as guilty as we are. All of us have told lies, hated other men in our hearts, lusted in fornication or adultery, and coveted what belonged to other men. All of us are guilty. How can we avoid having to go to hell forever? If God Himself comes down and enters our history in order to become a man so that He can pay the penalty which His justice requires for our sin, we can go free. This is the defining characteristic of the God of the Bible. His holiness cannot be compromised. Justice must be done. The penalty for sin must be paid. Only a flawless sacrifice will suffice for payment. God is the only flawless person in the universe. So He pays the penalty for our sin that His justice requires. Only as a man can God die. That is why He became a man. Christ is not Jesus' last name. It is His title. It is the Greek word for the Hebrew word Messiah. Christ is the righteous servant of Isaiah 53 who was wounded for our transgressions; God's Son (Proverbs 30.4) whose crucifixion David described in Psalm 22; Jehovah, who stretched out the heavens and laid the foundation of the earth, but who was pierced on the cross, and who at His 2nd coming, Jerusalem will bitterly mourn for in Zechariah 12.1-10; the Messiah who was cut off, but not for His own sin, and after whose death, the city and the temple were destroyed in Daniel 9.25-26. God offers Christ's sacrifice to anyone who wants his sin covered by Christ's blood. It is a prayer away, free for the asking. No man can enter God's heaven without Christ's righteousness. None of us have any righteousness of our own. Any righteousness we have is only what God credits to our account when we trust in Christ (and not ourselves) for our salvation. The God of the Bible is loving to His creatures, but His holy justice must be done. If you don't have God's righteousness to cover your sin, you will have to pay by yourself the penalty your sin requires in hell. Our resurrection bodies are going to be indestructible and the fire is eternal. Each man must

choose which God he will follow. A man would have to be very stupid to choose an evil devil like Islam's Allah for his God and spend his life imitating a master criminal like Mohammad.

8. What Are We to Conclude regarding these things?

1) The Allah of Islam and the God of the Bible are not the same God. Islam's Allah is the devil of the Bible, because he is changeable, imperfect, self contradictory, full of illogical nonsense, the greatest deceiver and liar; and sanctions the most wicked acts of violence against non-Muslims.

2) Islam's very own holy books show that Mohammad was a pathological liar, greedy thief, genocidal mass murderer, lascivious adulterer, serial rapist, child sex molester, racist slave trader and cruel wife beater. This is just what we would expect from a prophet and servant of Satan, the chief devil.

3) The goal of Islam is a political goal: The subjugation of all non-Muslims in the world to Islam, a devilish political ideology.

4) The Bible is the only true revelation from God. In order to kill innocent people, every Jihadi has to act against his conscience, the innate ability God gave to each man to be able to discern right from wrong. Our conscience must be violated in order to allow us to wrong others. The God of the Bible is the only true and living God. He is the King who sacrifices Himself for His subjects, the Judge who pays the penalty for condemned criminals like all of us are, the God who sacrifices Himself for His ungodly creatures.

5) The Bible produced the greatest, most free, most productive, richest, most generous, most technologically advanced, most militarily powerful, most civilized and superior civilization in the history of men. The United States, and Israel and other Western nations are still the freest and most civilized nations on earth, even with all of their present degeneracy. There is no superior civilization possible apart from political freedom. And there is no political freedom possible apart from the Bible.

6) Western Civilization stands in the greatest peril from the retarded, sick, criminal culture of Islam which declared war on it 1400 years ago; and is now making inroads into the West only because of the complete degeneracy and fall of the West from the grace of God and His Bible teaching.

7) Western Civilization cannot maintain its continued existence or its superior culture, unless it returns to its Bible origins.

8) If Western Civilization does not return to the God of the Bible, it will not be able to defeat Islam; and will be swallowed up by Islam in the most cruel and hostile take over the world can imagine.

9) The Muslims must not imagine that their conquest of the West, if God allows them to attain it, means that God gives them victory because He approves of them. No. Only that He has used them to discipline His wayward and faithless people. If the West does not reform itself and return to God, and therefore God gives it up to be defeated by the devilish Islam, it means only that Islam has been used by God to bring the West to heel. Once God has finished disciplining His people, He will then draw them back to Himself, because He will never give them up. This is the way God deals with those who belong to Him but who have become temporarily faithless and disobedient, just like He dealt with His ancient nation Israel.

10) Once God has finished disciplining His people He will then destroy Islam – because Islam does not belong to God and never knew God. On which side of which God do you want to be?

What are we to do now?

a) Return to the God of the Bible.

b) Teach the Bible and prayer in the public schools again the way we did before 1963 in our great land of America.

c) The Bible model for leadership is servant-hood. Americans need to return to the Constitution of America, a small, limited, government, with no graduated income tax (that is pure Marxism), and no Federal Reserve (money must be real money and regulated by the market, not a corrupt government). The main function of government in God's economy is the punishment of evil doers, both foreign (military) and domestic (police). Our military should

be one of the most important functions of our federal government. No one should get rich by being in the government, the way almost all Senators and Congressmen are at the present time in America. Public office should attract people of honor, the way the military and police do. All our present Kafkaesque bureaucracy should be abolished. Most entitlements: social welfare, healthcare, and social security programs should be abolished or severely reduced. Most government regulations need to be abolished. We need to follow our Constitution, not manufacture endless, idiotic new laws. We need to return to our great Biblical capitalistic free enterprise system where hard work is rewarded and government handouts don't exist. Charity should be local, not federal. Bible people have always been generous. The federal government should be severely curtailed from its legalized theft in robbing honest hard working men through income taxes.

d) We must outlaw all wicked political ideologies, their books being available only in special libraries with careful commentaries from Bible points of view as to their illegality and unproductiveness. Nazism, Socialism, Communism and Islam don't work and have never produced any wealth. Only free men in capitalism produce wealth.

(i) Islam must be outlawed. All its trappings must become illegal: its holy books; its mosques & schools, its devilish altars (Kaaba, Mosque of Omar, Al Aqsa Mosque); its evil imams.

(ii) Socialism, Communism and Nazism must also be outlawed. Mein Kampf has been illegal in Germany since Hitler lost the war. We must do the same with all wicked and stupid political books. Our freedom of speech cannot allow totalitarian teachings which abolish freedom of speech. There is no freedom of speech in Islam or Nazism or Socialism or Communism. These are all wicked totalitarian political agendas.

(iii) We cannot dictate what people think or believe. But if we teach the Bible the way it used to be taught in the USA, then, even though there are many foolish atheists, they will not be able to subvert our country as they have in the last 100 years in bringing us to the wicked precipice we are now on, about to slip into God's great valley of wrath, not to come out again, until we have been purged of all this wicked godlessness we have allowed to come about in our great nation. We should not allow atheists and other wicked political religions to have political predominance. Our country should be ordered such that real Bible believers are in leadership positions: In the military, government, education, business, and church. This is not the case in America today. And it is the reason why our land is now in such a degenerate mess. When the Bible and prayer were taught in American public schools there were always people who didn't believe in God, but the evil in them (which is in great abundance in all of us) was rendered more harmless by their Bible learning. Even if they didn't believe in the God of the Bible or want to follow Him, at least they learned the difference between right and wrong because of their Bible education. And this kept them from doing the hideous things that non believers are doing nowadays. The crimes we are seeing today in our country were unheard of when the Bible was being taught in our public schools. People may believe what they want to privately: their sexual immorality, adulteries, homosexual abominations and murderous back alley abortions can never be put down entirely. But by making these wicked things illegal, they can be driven back into the private closets where they belong. And we will have done right by God

We must encourage Muslims to throw out their wicked political religion. Millions of lives will be lost if we have to defeat them militarily as we did the Nazis in WW2. God willing. Is He?
