

WHO IS ALLAH?

The Bible teaches that every holy book apart from the Bible is the work of the devil. Whoever does not know the God of the Bible is a follower of the devil. Is this true? 2Corinthians 4.4; 2Timothy 2.22-26; 1John 5.19; Ephesians 2.2.

How can we discover the truth about Allah? Is he the devil of the Bible? What does Allah say and what effect has he had on his followers?

One of the most distinctive characteristics of the God of the Bible is His love. The most distinctive characteristic of the Allah of Islam is his hatred. He hates all non-Muslims (kafir, infidel). The kafir is the most despised and vilest of creatures: (Quran 8.55; Q.7.176; Q.7.179). The Quran tells Muslims to be compassionate to Muslims but ruthless to the kafir (Q.48.29). Allah transformed Jews into apes and pigs (Q.5.60; Q.7.166; Q.2.65). The Ayatollah Khomeini said non-Muslims rank between feces and the sweat of a camel that has consumed impure food. In Islam there are only two houses: the House of Islam and the House of War. All Islam is at war with all non-Muslims. All Muslims in the world are commanded by Allah to bring all non-Muslims into submission to Islam, forcibly if not willingly (Q.9.5; Q.9.29; Q.9.73; Q.8.12; Q.47.4; Q.3.151; Reliance of the Traveller 0.9.6). Mohammad sincerely believed he was sent by Allah to bring every kafir under the yoke of Islam (Sahih Muslim 1.31). This means war because who wants to be brought under anyone else's yoke? Even the God of the Bible has trouble getting us under His yoke. This war against the kafir is called Jihad. The kafir is the main subject of Islam's holy books (it takes up 60% of Quran; Hadiths; & Sira combined) and Jihad is the most important activity of Islam (67% of Sira). So our conclusion is: Islam is the most deadly kind of political agenda: one with a religious motive, masquerading as a harmless religion. Islam, at its core, is dedicated to the complete destruction of our Western

civilization. Jihad as an inner, spiritual struggle is a non-existent fiction of deceptive Muslims in the West who try to convince us that Islam is a religion of peace. Peace in Islam comes only after the complete annihilation of its non-Muslim victims. Jihad is total, vicious, permanent, physical aggression against all kafir until they are completely conquered. Allah commands all Muslims this.

The Doctrine of Abrogation (Al-Nasikh Wal-Mansukh in Q.2.106; Q.16.101; Q.17.86) teaches that later verses revealed to Mohammad in Medina completely contradict and replace earlier verses revealed to him in Mecca. For example, some 124 verses teaching toleration of other religions (Q.2.256; Q.109.6; etc) have been replaced by all the kill-the-kafir-whenever-you-find-them verses (Q.9.5; Q.9.29; Q.8.12, etc). This shows Allah is changeable and self-contradictory. By definition, change is imperfection, for what could perfection change to? Allah cannot be perfect if he is changeable; and he cannot be God if he is not perfect.

Allah tells us he is the Khayrul Makireen, the Master Deceiver (Q.3.54; Q.8.30). (Correctly interpreted by Ibn Kathir, Al-Qurtubi, Al-Tabari and Al-Jalalyn.) If someone is a deceiver, can we trust him? Can we trust anything he tells us? Master Deceiver is the name given in the Bible to the devil. (John 8.44)

In the Bible, only pagans and the heathen bow down to idols, stone objects, statues, or other physical or material objects, whether God made or man made. Allah has Muslims bow down to a big black stone in Mecca 3-5 times a day.

How Mohammad lived and what he taught are the clearest indications of the identity of the Allah he served and worshiped. More than 90 times in the Quran we are told that Mohammad is to be imitated as the ideal of humanity. What is this man like that we are supposed to imitate? Muslims, does your conscience allow you to imitate a man who did the following? (1) He had sex with a little child (Bukhari 7.62.88; Sahih Muslim

8.3309-3311; Ibn Hishan vol 3.94; Ibn Athir 2.117-118; Mishkat Al Masabih pp 262,272). The legal age for marriage for girls today in Iran is 9 (Civil code #1041). There is no way a little child 6-9 years old can give consent for sex and marriage to an adult (in his mid 50's). And this cannot be made acceptable by calling it culturally different. Even in the case of the feeble-minded Abu Bakr (1st Caliph after Mohammad died) who gave his consent to the sex molestation of his own daughter, Ayshe, by Mohammad (Bukhari 7.62.18). This is nothing less than vicious, violent child rape and sex molestation. (2) He earned his living as a thief (Q.48.20; Q.33.27; Q.8.69; Ibn Ishaq 327; 416-428; 503; 508; Bukhari 44.668). Mohammad became extremely rich by robbing caravans and murdering their leaders. (3) He committed adultery with Zeyneb, the wife of his adopted son, Said (Q.33.37); (4) He encouraged the telling of lies, even denying that saying something untrue is lying (Sahih Muslim 32.6303; Bukhari 3.49.857; 5.59.369 & 9.84.64); (5) He encouraged the unlimited rape of all non-Muslim women. These are sex slaves: (milk al-yamin) "Whatever your right hand possesses" (Q.4.3; Q.4.24; Q.23.1-6; Q.24.33; Q.33.50). They do not count as wives of Muslim men and sex with them is not considered adultery! (6) He committed murderous genocide against 50% of the population of the city of Medina in Arabia, which was Jewish in his day, only because they would not accept him as a prophet (Bukhari 5.59.362; Ishaq 690); (7) He promoted slavery. Mohammad owned and traded many slaves (Bukhari 1.8.440; 3.34.295; 3.36.481; 7.65.344; Sahih Muslim 1.130; 8.3383; Guillaume, Life of Mohammad, pp.466-593). A racist, he called black people raisin heads (Bukhari 1.11.662). The practice of slavery in Islam has never been abolished and still exists widely today in Africa, Arabia and the Gulf States; (8) He taught the following about women. Women (a) are the property of husbands, like fields men can go into and plow whenever and however they want (Q.2.223; Abu Dawud

11.2138-39); (b) are men's inferiors, to be beaten by husbands (Q.3.34); (c) comprise most of the inhabitants of hell because of inferiority in intelligence and religion (Bukhari 1.6.301; 7.62.132); (d) at law have only ½ the value of men's testimony (Q.2.282); (e) receive ½ the inheritance of brothers (Q.4.11); (f) must undergo the savage, barbaric practice of female genital mutilation: clitorrectomy (Reliance of the Traveller: e.4.3; Sahih Muslim 3.684). The most radical form of this brutality renders a woman unable to enjoy sex and unable to be clean in her genital area for life; (g) have a man's honor depend on the social activity of the women in his household. Sharia courts cannot question a man as to why he beats his wife (Abu Dawud 11.2142). There is no legal protection for women in Islam against savage beatings by husbands. No man will be prosecuted in these courts for personally murdering his own daughter, wife, sister, or mother if he feels their conduct brings shame to him. Many beatings and honor murders are about such trivial matters as women's head coverings. We cannot forget the March 11, 2002 Mecca girl's school fire in which 15 Saudi girls died because the religious police would not let them come out of the fire without the proper head covering.

We know all Muslims don't practice these hideous things. But many do. The point is, these things are promoted in Islam. They are divinely sanctioned in its holy books. They are taught by Allah. They were practiced by Mohammad. And they are identical to the teachings of the devil in the Bible.

What does the Bible teach? What effect has it had on its followers? Are Muslims different from Jews and Christians? As different as Allah is from God? Muslims have the reputation of being lazy, poor, backward, dirty, deceptive, greedy, over-sexed, and violent. Is this true? Yes. But this is the Bible's description of the nature of all men before they know God: they are followers of the devil. The reason Muslims have this reputation while Jews and Chris-

tians don't is because Muslims are following the teachings of Allah: and these are identical to the teachings of the devil of the Bible. It is the God of the Bible who has made Jews the most brilliant and accomplished people on the planet. And in the 16th Century Protestant Reformation, when the Christians rediscovered the Bible and started following it, God gave them, within a century, in the beginning and foundation of America, a nation that became the most unique, most powerful, richest, most technologically advanced, greatest nation on earth, a nation everyone wants to come to and live in. We Christians of today are a disgrace to our Bible. In our clubby, irrelevant churches we have let America lose its Biblical influence in government, economics, religion and ethics. Instead of our Biblical, limited, representative, constitutional government with its capitalistic free market economic system, emphasizing the individual and the protection of his life and private property, freedom of speech and religion, and the correct Bible doctrine of the Westminster Standards of Faith of 1648, we have let the religions of Darwin and Marx flood our land with degeneracy, crime, alcoholism, pornography, fornication, adultery, divorce, homosexuality and the rivers of blood of the 60 million unborn babies we have murdered since the legalization of abortion in 1973. It is obvious that God is judging us now. Isn't that why America and Israel are surrounded by all these Islamic nations? But God is faithful. When He is finished disciplining us He will turn us back again to Himself and destroy those He employed to discipline us. Just as He destroyed all the evil nations He employed to discipline His ancient nation Israel.

So we have a suggestion to make. Why don't we all just go back to the Bible? All God's wayward Christians and Jews who are not following God properly; and all the Muslims who never knew the God of the Bible.

What is God like? What does He want of us? He is not obsessed with sex and

violence like Allah is, except to tell us that everything Allah permits, God forbids. The God of the Bible describes Himself as perfect, holy and unchanging. He cannot deceive us or contradict Himself because He is not able to act contrary to His holy nature. He is loving in the sense that He treats even His enemies well, and He commands us to do the same (Exodus 23:4-5; Leviticus 19:18; Matthew 5:43-48; Luke 6:27-36). He never forces Himself on anyone. He draws men towards Himself through their hearts (Proverbs 21:1; John 6:44,65). But God does test us. After our perfect first father and mother fell in sinful disobedience to Him, they transferred their newly acquired sin nature to all their children: us. We never have to teach our kids to sin: lie, steal, hate others in their hearts, disobey parents, covet what others have, etc. They do all these things naturally out of their own sin nature. Sin is disobedience (1John 3:4) to God's moral law, summarized in the 10 Commandments (Exodus 20). Every person on earth is guilty of sin. God cannot overlook it. It has a penalty which must be paid. Either we pay by going to hell forever, or we find a perfect substitute willing to pay the penalty for us. This is what Christ offers us: His perfect (because He is God) corban sacrifice (because as a man He is capable of dying) on the cross to pay the penalty for our sins. He does not indulge or overlook our sin, like Allah does, but rescues us from it. God became a man so that He could die as a sacrifice for men. If we do not have His blood covering our sin, we expose ourselves to the eternity in hell that God's law requires for our sin's penalty. Eternity in hell is a long time to be wrong, aside from being very painful. Our new resurrection bodies are going to be indestructible. And the fire is eternal. God lovingly bids us to turn away from our sin and towards Him, and avail ourselves of this gift of His death on the cross to pay for our sins. It is free. It is a prayer away. And He promises not to refuse anyone who comes to Him, no matter what they have done (Isaiah 55; Matthew 11:28-30; John

6.37b). And God never changes or contradicts His words, like Allah does. You can trust the God of the Bible.

It is clear from the Islamic teachings that the Allah of Islam is the devil of the Bible. Both in what he teaches his rasul Mohammad, and in what Mohammad by his example teaches his followers. There has never been a more monstrous man in history than Mohammad. How could 1.2 billion Muslims be duped into following such a criminal? He was a pathological liar, greedy thief, genocidal mass murderer, serial rapist, lascivious adulterer, child sex molester, racist slave trader, and cruel wife beater. What is there for decently raised men to imitate? No wonder Islam is so appealing to all the racist thugs being converted to it in present day American prisons. It is tailor made to fit the most vile thug who wants to lie, steal, murder, rape, molest children, enslave and beat others up, all with divine sanction. The golden age of Islam is a myth. Islam has never contributed anything to civilization except abject cruelty and grisly violence. In their marauding rampage of murder, looting, rape and land stealing, Muslims for 1400 years have been beheading, raping, looting Jews, Christians, Hindus and Buddhists, and stealing their lands. And they have not changed their Jew-hate agenda one iota. The reason the Crusaders lost the Crusades was undoubtedly because they began wickedly slaughtering Jews. Only Bible illiterates and retarded men go against Jews. How could people be so stupid as to want to exterminate those whom God loves and protects? God chose Jews to be a light to the world and a special people for Himself, a people through whom all men on earth are blessed (Deuteronomy 4.6-8; 14.2; Isaiah 43.10-12, 21; 49.6; Genesis 12.3; 22.18). God has a special relationship to His Jews. He will never abandon them (Isaiah 41; Romans 9-11); and soon He will reveal their Messiah to them (Proverbs 30.4; Isaiah 7.14 & 9.6-7 & Matthew 1.23 & John 18.36; Micah 5.2 & Matthew 2.6 & John 7.42; Exodus 3.14 & Isaiah 44.6 & John

8.24,28,58 & Revelation 1.17-18; Psalm 22 & Isaiah 53 & Matthew 27.35; Zechariah 12.1-10; Daniel 9.25-26). Anyone making war against Jews is making war against God Himself (Isaiah 41.8-17; Obadiah 1.10-21). How absurd to talk about Palestine being occupied by Israel. Why do we need a 2nd Palestinian state when we already have one in Jordan? The whole of North Africa, the Balkans, Anatolia, the Levant and all the land until China and India is occupied by Muslim marauders. What the Christians and Jews should do is to take back all their stolen land and crush the most wicked devil-Allah religion once and for all, just like they crushed Nazism.

Muslims, arise and throw off the chains of your most devilish, insane, racist, kafir/Jew hating religion. You have nothing to lose but the chains of the psychopathic, fascist nonsense that is Islam. We never wanted war with the Nazis. They forced us to fight their racist plan to conquer us in World War 2. We annihilated them, but it took millions of lives. What a waste. Islam is so much like Nazism: same political agenda, same racism, same Jew hatred, same totalitarian fascist terrorism, same insane desire to conquer the world. Muslims must come away from the retarded things they have been taught in Islam. They must study the Bible to find the true and living Creator and Ruler of the Universe, and the holiness and love He offers them. Jews and Christians do not behead people who have a different religion, or blow themselves and others up in order to defend their religion. Only Muslims do this insanity.

Come and worship the God of the Bible. You don't deserve Him. None of us do either. God didn't choose us because we are better than you or any other people. He made us different after He took hold of our dark evil little hearts. Now the time has come for you to give Him your dark evil little hearts.
